

Shamanic Meetup

This meetup group provides an opportunity for beginners and experienced shamanic practitioners to share wisdom, learn from one another, enhance spiritual awareness and practice healing techniques.

We will connect with our helping spirits for journeying, personal healing, and ceremony.

Through shamanic practices, we can experience spiritual healing for ourselves and others and dream a new world into being.

This group meets the fourth Wednesday of every month at 6:30 p.m.

Donation: \$10.00 per session
