

PRANIC HEALING® LEVEL 2
April 23rd and April 24th
9:00 AM-6:00 PM both days

Description for Level 2:

In Advanced Pranic Healing, you will learn how to utilize color prana for quicker, more effective healing results. Colored prana creates a more focused effect on the energy field and the chakras.

- **Advanced color healing:** You'll learn to use the right proportion, color combinations and degree of hue of colored prana.
- **Advanced scanning:** You'll learn to interpret and assess more quickly and effectively the correction of imbalances in the energy field patterns.
- **Powerful specialized healing techniques:** You'll learn Rapid Healing of Wounds, Cellular Regeneration, Cleansing of the Internal Organs, Cleansing of the Blood and other techniques to boost the immune system.
- **High-level energetic methods of enhancing the body's innate healing ability:** You'll learn techniques for working on AIDS, cancer, stroke, diabetes, kundalini syndrome (a state in which the aura is over-energized due to meditation or other excessive energy-development practices) and other severe ailments.
- **Instructive healing:** You'll learn to help accelerate healing and recovery by influencing and reprogramming the consciousness of diseased cells and organs.
- **Prerequisites:** MCKS Pranic Healing® Level 1
