

Group Spiritual Direction

What is group spiritual direction?

Group spiritual direction is a process in which people gather together on a regular basis to assist one another in an ongoing awareness of God in all of life. They are seeking support for their responsiveness to God and they agree to support others in that same responsiveness. The process allows for individual sharing by each participant with periods of silence for prayer and discernment. The group is limited to 4-5 members and is facilitated by Margaret Mulligan, Spiritual Director.
