Working with the Archangels

April 10, 2024
7:00 pm – 8:30 pm

This workshop explores how to connect with seven of the archangels. Learn how to call upon the archangels and discover how they can support you with their abundant love, guidance, and healing.

We will explore the gifts that each of the Archangels brings and the color and crystal vibration associated with each one. We can call upon Archangels to help in various aspects of our lives. Learn which ones to call upon to assist with life's challenges and opportunities that we encounter as humans.

Cost: \$30

Facilitator: Diane Anderson of Sister Seekers
