All Hallows Eve With the Old Bone Mother Friday, October 30, 2026, 6:30 – 8:30 pm

Join us for an evening in the spirit of Halloween. Experience stories, ceremony, a guided healing journey with the Old Bone Mother, and finish by making a personal protection pouch.

You will go on a guided journey to the Old Bone Mother's cave, where she will take away that which you no longer need, and put you back together with her soul healing magic. You will emerge from the cave with a bright new essence.
The fee includes materials for making a personal protection pouch.

Cost: \$35
